## 2019 Income Tax

### Extended Deadline - 14 September 2020

We wish to advise that the Australian Taxation Office has granted an extension without penalty for clients of Mark Trovato Chartered Accountants for all outstanding 2019 Income Tax Returns (including lodgement and payment).

Responding to the COVID19 Government Business Stimulus Packages such as JobSeeker, JobKeeper and Boost Credits was an extremely demanding period of time for all accountants in Australia. As a team we dedicated all our resources to assisting many clients with their Business JobKeeper:

- Eligibility
- Turnover Testing
- Payroll checking and setups
- Enrolments
- Ongoing monthly claim forms

In addition to JobKeeper, many hours were also spent assisting with Centrelink JobSeeker Applications and BAS PAYG Boost Credit analysis. We have estimated this unexpected work has consumed approximately 2000 productive hours since mid March 2020 to date.

We would like to thank you all for your patience during this time and assure you that our focus is now back to completing any remaining 2019 Income Tax lodgement requirements.

Should you wish to complete your 2020 Income Tax obligations early combined with any outstanding 2019 tax compliance, please contact **Tahlia** to arrange collection of your relevant information.

Best wishes

Mark and Alison Trovato
